

Company Profile

Name: THAI CHI ENTERPRISE CO., LTD.

Founded: May 1, 1994

President: Hsu Cheng Yun

Address: No. 178, Nongchang Rd., Wang Da Industrial Park, Daliao Dist.,
Kaohsiung City 83160, Taiwan R.O.C.

Main Categories: Manufacturing of different kinds printed PAPER, PP, PVC, PET film with interior design applications for wall coverings and furniture, speaker box, printing, main-coating (using Acrylic or Poly-Urethane, UV resin) doubling laminate, slitting, etc.

Quality: The products of THAI CHI meet not only the standards of Japan but also the world, such as RoHS and REACH. The products are free of toxic substances as lead, hexavalent chromium, and mercury, and this has made them ever more welcome in the increasingly environment-oriented global market.

Major Markets: Today about 20% of THAI CHI's products are marketed in Taiwan and the rest are exported mainly to Japan, China, Malaysia, Indonesia, Germany and so on. The Japanese companies include DEMON, JVC, KENWOOD, ONKYO, PANASONIC, PIONEER, ROLAND, SHARP, SONY and YAMAHA.

Certificate: To keep up with the world trends we started using eco-friendly materials in 2002 and one year later our products won SONY's Green Partner certificate. Meanwhile, our efforts to improve technology, upgrade quality, and enhance operating efficiency were recognized by its acquisition of ISO 9001 and ISO 14001 certificate in 2005.
